El verbo be: pasado

Negativas completas: was not y were not

Para decir que algo no era o no estaba así en el pasado, añadimos not. Con I, he, she e it usamos was not; con you, we y they, were not. Un nombre singular lleva was not; un nombre plural, were not. You siempre lleva were not. Escribimos las dos palabras completas.

Ejemplo resuelto

She ____ at the park. She was at school. → She was not at the park. She was at school.

No estaba en el parque. Estaba en el colegio. She lleva was not.

Completa con be en pasado seguido de not. Escribe dos palabras, sin contracciones.
