El verbo be: pasado

Negativas cortas: wasn't y weren't

Was not se puede acortar a wasn't; were not, a weren't. El apóstrofo señala que falta la o de not. Con I, he, she e it, y con nombres singulares, usamos wasn't. Con you, we y they, y con nombres plurales, usamos weren't. You siempre lleva weren't. Aquí practicamos las formas cortas.
