Pronombres de sujeto y objeto

Sujeto: personas y grupos

Un pronombre evita repetir un nombre. El sujeto dice quién hace algo o de quién hablamos. I es yo; you es tú, vosotros o ustedes; we es nosotros o nosotras; they es ellos o ellas. Aquí usamos he para un niño o un hombre y she para una niña o una mujer. Si el grupo me incluye, uso we. I siempre va en mayúscula; los demás solo al empezar una oración.
