Pronombres de sujeto y objeto

Objeto: personas que reciben la acción

El pronombre de objeto dice a quién afecta la acción: en I help him, yo ayudo y él recibe la ayuda. Usamos me para mí, you para ti o vosotros, us para un grupo que me incluye y them para varias personas sin incluirme. Aquí usamos him para un niño o un hombre y her para una niña o una mujer. Fíjate en quién hace la acción y quién la recibe.
