Pronombres de sujeto y objeto

Objeto: me, you, us y them

Si alguien me ayuda, digo help me. Si te ayudo a ti, digo help you. Si ayudan a un grupo que me incluye, usamos us; si ayudan a otras personas, them. Estas formas van después de verbos como help o give y después de palabras como for o with. You sirve para una persona o varias. Aquí todos los huecos necesitan un pronombre de objeto.
