Pronombres de sujeto y objeto

Pronombres después de preposiciones

Después de preposiciones como to, for, with, in, of, near o next to, usamos un pronombre de objeto. With significa con; for, para; to, a. Son me, you, him, her, it, us y them. Me habla de mí; you, de ti o vosotros; us, de un grupo que me incluye; them, de otras personas o varias cosas. Aquí him se refiere a un niño o un hombre, her a una niña o una mujer e it a una cosa. Decimos with her, no with she.
