That y those

Lejos de quien habla, delante del nombre

Para señalar algo lejos de quien habla, usamos that con una sola cosa: that house, aquella casa. Con varias cosas, usamos those: those houses, aquellas casas. También sirven para personas. Over there significa allí; far away, lejos. El nombre que viene detrás te dice si es una cosa o varias. Usa mayúscula al empezar una oración.

Ejemplo resuelto

Look at ____ houses far away across the river. → Look at those houses far away across the river.

Mira aquellas casas lejos, al otro lado del río. Varias y lejos: those.
