This, that, these y those

Demostrativos en preguntas

En preguntas también elegimos el demostrativo por la distancia y el número. Cerca de quien habla: this con una cosa y these con varias. Lejos: that con una cosa y those con varias. Here significa aquí; over there, allí; far away, lejos. Mira el nombre que viene después del hueco: Is this cup clean? Are those cups clean? También sirven para personas. Con nombres como water o soup usamos this o that. En esta ficha, completa solo el demostrativo; los verbos ya están escritos.

Ejemplo resuelto

Are ____ cups right here beside me clean? → Are these cups right here beside me clean?

¿Están limpias estas tazas que están aquí mismo a mi lado? Varias y cerca: these.
