# Have: preguntas

## Do o does delante del sujeto

Para preguntar con have, ponemos do o does delante de quien tiene algo. I, you, we y they llevan do; he, she e it llevan does. Un nombre en singular lleva does; en plural, do. Después usamos have, nunca has: Does your sister have a bike? Si empieza con where, what o when, do o does va después: Where do you have lunch? Usa mayúscula al empezar una oración.
