There is / there are: preguntas

Preguntar qué hay en el presente

Para preguntar si hay algo, ponemos is o are delante de there. Con un nombre en singular: Is there a dog? Con un nombre en plural: Are there any dogs? Con cosas que no contamos una a una, como agua o comida, usamos is: Is there any water? Después de How many también usamos are: How many dogs are there? Usa mayúscula al empezar la pregunta.

Ejemplo resuelto

____ there any rice left? → Is there any rice left?

¿Queda arroz? Rice no se cuenta uno a uno: Is delante de there.
