There will be / there won't be

Decir qué habrá o no habrá

There will be significa habrá. There won't be significa no habrá; won't es will not. La forma no cambia con singular, plural o cosas como agua: there will be a game; there will be two games; there won't be any water. Lee la situación para saber si algo ocurrirá o faltará. There y be ya están escritos: completa solo la palabra entre ellos.
