There: concordancia y formas verbales

Repaso del presente, pasado, presente perfecto y futuro

Para decir hay ahora, usamos is con singular e incontables, y are con plural. Para decir había o hubo en el pasado, usamos was y were. Con ha habido, escribimos has delante de been con singular e incontables, y have con plural. Después de will siempre va be, tanto con singular como con plural: there will be a party. Los incontables son cosas que no contamos una a una, como agua o arena. Mira cuándo ocurre y qué palabras rodean el hueco.
