## Peticiones amables: la forma del verbo

Please significa por favor. Hace más amable una petición: Please open the door. Para pedir que no hagan algo: Please don't open the door. El verbo sigue en su forma básica, sin to ni la -s de he o she. Carries pasa a carry; closes, a close; washes, a wash. Please y, cuando hace falta, don't ya están escritos. El verbo principal dice qué hace la persona, animal o cosa nombrada al principio. Reutilízalo para completar la petición.
