Be, have y do en el imperativo

Tres verbos frecuentes en órdenes y peticiones

En el imperativo usamos be, no am, is ni are: Be quiet, estate callado. Have va sin -s: Have a seat, siéntate; Have lunch, come; Have fun, diviértete. Do también va sin -s: Do your homework, haz los deberes; Do the dishes, lava los platos. Después de don't siguen esas mismas formas: Don't be late; Don't have dinner yet; Don't do that. Aquí practicamos estos tres verbos: mira si se pide una conducta, una actividad con have o una tarea con do.
