Imperativos y propuestas: repaso

El verbo y las palabras que forman cada estructura

Las órdenes usan la forma básica del verbo: Open the door. Con please son más amables. Para prohibir: Don't open it. Para proponer una acción conjunta: Let's open it. Para evitarla juntos: Let's not open it. Be sirve para pedir una conducta: Be quiet; Don't be noisy. Si el hueco es un verbo de acción, reutiliza el verbo principal de la primera frase en su forma básica, sin to ni la -s de he o she. En órdenes que piden cómo estar o comportarse, usa Be o Don't be. Con verbos de acción, distingue la prohibición para otra persona de la propuesta que incluye a quien habla.
