Orden de palabras y dos complementos

Cómo y cuándo: adverbios sin -ly

Good se convierte en well cuando dice cómo se hace algo. Fast, hard, early y late no añaden -ly en estos usos. Hard indica esfuerzo; early significa temprano y late, tarde. Al llegar, early y late también indican antes o después de la hora prevista. Hardly y lately tienen otros significados. Aquí el adverbio va después del verbo o de la cosa y antes del lugar o tiempo.
