Nombres irregulares y concordancia

Repaso: singular y plural irregular

El nombre del contexto indica qué palabra necesitas. One pide singular; two, both y las cantidades mayores que uno piden plural. These y those también piden plural. Aplica las parejas irregulares de personas, pies, dientes, ratones y gansos. Sheep, deer y moose no cambian. Aquí usamos people y el plural habitual fish; persons y fishes también existen.

Ejemplo resuelto

The geese are swimming. One ____ is resting. → The geese are swimming. One goose is resting.

Los gansos están nadando. Un ganso está descansando.

Reutiliza el nombre irregular del contexto con el número que pide la frase. Usa people y fish.
