Posesivo de plurales terminados en -s

Si el nombre del dueño es plural y ya termina en -s, añadimos solo el apóstrofo: girls → girls' books. La s ya indica que hay varias niñas. No añadimos otra s. Babies también termina en -s: the babies' toys. Mira el nombre de los dueños, no si tienen una cosa o varias.

Ejemplo resuelto
The boys are playing. The ____ ball is red. → The boys are playing. The boys' ball is red.
