Posesivos y relaciones con of

Of: el orden de la relación

Of puede expresar una relación y se traduce a menudo por de: the roof of the house, a map of the city. Primero va lo que relacionamos: roof; después van of y el nombre al que se refiere: the house. En el hueco escribimos of seguido del sujeto de la primera frase: The house → of the house. Conserva sus palabras y pon the en minúscula. Los nombres propios, como Spain, conservan la mayúscula. Usamos aquí of; eso no significa que el posesivo con 's sea incorrecto con todos los objetos.
