Posesivos y relaciones con of

Posesivo u of: el orden de la relación

Con un posesivo, el dueño va antes: the girl's book. Con of, la cosa o parte va antes: the cover of the book. El orden ya escrito indica qué construcción completar. No es cierto que todos los objetos deban llevar of: the book's cover también es posible. En los huecos delante de una cosa, reutiliza el dueño de la primera frase en posesivo. En los huecos entre la cosa y el dueño o el todo, escribe of.
