Nombres compuestos

Primer nombre: la forma singular

Para indicar un tipo de cosa, el primer nombre contable suele ir en singular: buses → bus stop; flowers → flower shop. No cambiamos esa parte porque haya varios objetos: two bus stops. Hay excepciones, como clothes shop; no es una regla para todos los compuestos. Aquí todos los primeros nombres se usan en singular.

Ejemplo resuelto

They sell bikes here. The ____ shop opens at nine. → They sell bikes here. The bike shop opens at nine.

Aquí venden bicicletas. La tienda de bicicletas abre a las nueve.

Reutiliza en singular el nombre plural de la primera frase para completar la primera parte del compuesto.
