Uso de mayúsculas

Nacionalidades

Las palabras que indican nacionalidad empiezan con mayúscula en inglés: Spanish, Canadian, Japanese. Si hay dos palabras, estas formas llevan dos iniciales mayúsculas: South Korean, South African. No adivinamos la nacionalidad por el lugar donde vive alguien: reutilizamos la que indica el contexto. Un formulario puede mostrar SPANISH; en una oración normal escribimos Spanish.

Ejemplo resuelto

Her profile lists her as CANADIAN. Our teacher is ____. → Her profile lists her as CANADIAN. Our teacher is Canadian.

Su perfil indica que es canadiense. Nuestra profesora es canadiense.

Reutiliza la nacionalidad del contexto, con una mayúscula al principio de cada palabra y las demás letras en minúscula.
