Uso de mayúsculas

Mayúsculas y minúsculas: tipos de palabras

Los nombres de personas, días, meses, idiomas y nacionalidades llevan mayúscula. Las palabras comunes, como dogs, books y teachers, normalmente no. Las estaciones tampoco: spring, summer, fall y winter; fall significa otoño en inglés americano. Pero la primera palabra de cualquier oración empieza con mayúscula. Reutilizamos la primera palabra del contexto en un hueco dentro de la oración. Decide si esa palabra lleva mayúscula por su tipo.
