Contracciones negativas en pasado

Did not se acorta a didn't con cualquier sujeto; después va el verbo básico: I didn't go. Para negar be en pasado, usa wasn't con I, he, she, it y nombres singulares; usa weren't con you, we, they y nombres plurales. You siempre lleva were. Mira si falta be ante un lugar o una descripción, o si ya aparece un verbo como go o buy.

Ejemplo resuelto

We stayed home yesterday. We ____ at the park. → We stayed home yesterday. We weren't at the park.

Ayer nos quedamos en casa. No estuvimos en el parque.
