It impersonal

It is / It isn't: lluvia y nieve ahora

It is raining significa que está lloviendo ahora. It is snowing significa que está nevando. Para decir que no ocurre, usamos It isn't raining o It isn't snowing. Isn't es la forma corta de is not. Mira lo que cae del cielo en ese momento: puede haber nieve en el suelo aunque ya no esté nevando.

Ejemplo resuelto
No rain is falling now. It ____ raining. → No rain is falling now. It isn't raining.
Ahora no está lloviendo.

Completa solo el verbo: usa is si está ocurriendo y la contracción de is not si no está ocurriendo. Lee el contexto actual.
