It impersonal

It's + el día o la fecha

Para decir qué día o qué fecha es, usamos It's: It's Tuesday, es martes; It's June 8, es 8 de junio. Los días y los meses empiezan con mayúscula. Yesterday es ayer y tomorrow es mañana. En las fechas de esta práctica, el formato es el de Estados Unidos: mes/día. Así, 03/17 es March 17. En los huecos de fecha escribimos el mes en letras y el día en cifras, sin añadir the ni una terminación como th.
