Presente simple afirmativo

Presente simple con I, you, we y they

Usamos el presente simple para hablar de costumbres o de cosas que son ciertas. Con I, you, we y they usamos la forma básica del verbo, sin añadir s: I read; they play. You sigue esta regla tanto si significa tú como si significa vosotros. En cada ejercicio, dos personas o grupos hacen la misma acción. El contexto muestra el verbo; tú debes usarlo con el sujeto del hueco. Esta práctica no incluye be, que tiene formas propias.
