Presente simple afirmativo

Con he, she e it: verbos que añaden -s

Con he, she e it, muchos verbos añaden s en el presente simple afirmativo: read pasa a reads. Lo mismo ocurre con un sujeto como my brother o the dog. Con I, you, we, they y sujetos plurales dejamos la forma básica. Aquí practicamos verbos que solo añaden s; otros cambian de otra manera, como watch, watches, y have, has. En las dos frases de cada ejercicio se realiza la misma acción.
