Presente simple afirmativo

Verbos en -y: -ies o -s

Con he, she e it o un sujeto como my brother, mira la letra anterior a y. Si es una consonante, quita y y añade ies: study, studies; carry, carries. Si es una vocal, conserva y y añade s: play, plays; buy, buys. Las vocales son a, e, i, o, u. Con I, you, we, they y sujetos plurales no hacemos ese cambio. En las dos frases de cada ejercicio se usa el mismo verbo de acción.
