Go y goes: desplazamientos y actividades

Go sirve para hablar de ir a un sitio o de actividades como go swimming, ir a nadar, y go shopping, ir de compras. Con I, you, we, they y sujetos plurales usamos go. Con he, she, it o un sujeto como my brother usamos goes. Para muchos lugares aparece to: go to school. Con home, upstairs y downstairs no añadimos to: go home; go upstairs. Aquí solo falta el verbo; todo lo demás ya está escrito.
