# Presente simple: tercera persona

## Tercera persona: añadir -s

El presente simple sirve para hablar de costumbres y de cosas que son ciertas. Con he, she e it, muchos verbos añaden s: read, reads. También ocurre con un sujeto como my sister o the bus. Con I, you, we, they y sujetos plurales usamos la forma básica. You no lleva s aunque signifique tú. En esta práctica todos los verbos solo añaden s. Be y verbos como can siguen otras reglas y no aparecen aquí.

**Ejemplo resuelto**

We cook dinner at home. My dad ____ lunch at work. → We cook dinner at home. My dad cooks lunch at work.

Nosotros cocinamos la cena en casa. Mi padre cocina la comida en el trabajo.
