Presente simple: tercera persona

Consonante + y: cambiar y por -ies

Con he, she e it o un sujeto como the pilot, si un verbo termina en consonante + y, quitamos y y añadimos ies: study, studies; carry, carries; fly, flies. No escribimos studys ni flys. Las vocales son a, e, i, o, u; las demás letras son consonantes. Aquí todos los verbos del hueco siguen esta regla. Con I, you, we, they y sujetos plurales se conserva la forma básica.
