El verbo básico después de don't y doesn't

Después de don't y doesn't usamos el verbo básico, sin la s de tercera persona: reads cambia a read; watches a watch; studies a study. Las formas has, does y goes vuelven a have, do y go: She doesn't have a bike. En cada ejercicio, la primera frase muestra qué verbo debes usar. La segunda ya tiene don't o doesn't: escribe solo el verbo que va después.
