Preguntas que empiezan con Do

Para hacer una pregunta sin negación en presente simple, con I, you, we y they usamos Do al principio. También con sujetos plurales: Do your friends play? El orden es Do + sujeto + verbo básico + el resto. El verbo no añade s: Do you have a bike? Do they go to school? Estas preguntas se pueden responder con sí o no. Aquí no practicamos be ni can, que forman preguntas de otra manera.
