Presente simple: negativas y preguntas

Repaso: negativas y preguntas con do

Con I, you, we, they y sujetos plurales, la negativa lleva don't y la pregunta sin negación empieza con Do. Con he, she, it y nombres como Mia, la negativa lleva doesn't y la pregunta empieza con Does. I y you siguen llevando do aunque hables de una persona. Después de estas formas usamos el verbo básico, sin s: She doesn't have; Does she have? El contexto indica las negativas; el signo ? señala las preguntas. Aquí no practicamos be ni can.
