Adverbios y expresiones de frecuencia

Significado: always y never

Always significa siempre: la acción ocurre todas las veces de las que hablamos. Never significa nunca: no ocurre ninguna vez. Mia always reads before bed: Mia lee siempre antes de acostarse. Mia never eats fish: Mia nunca come pescado. Never ya expresa la negación; no añadimos don't o doesn't. Aquí escribimos el adverbio antes del verbo de la segunda frase. El contexto indica todas las veces o ninguna.
