Adverbios y expresiones de frecuencia

Con be: am, is o are antes del adverbio

El orden habitual con be es sujeto + am, is o are + adverbio: I am often tired; she is always ready; they are usually busy. Con I usamos am; con he, she e it, is; con you, we y they, are. You lleva are tanto si significa tú como vosotros. Hay otros órdenes posibles, pero aquí practicamos be antes del adverbio. Usa el mismo adverbio de la primera frase y la forma de be que necesita el segundo sujeto.
