Adverbios y expresiones de frecuencia

Expresiones con every

Every significa cada y va delante del nombre de tiempo en singular: every day, cada día; every week, cada semana. No escribimos every days. También podemos decir every morning, afternoon, evening, night, weekend, month, year o un día como Monday. En estos ejercicios, each expresa cada en la primera frase. Completa la segunda con every y el mismo nombre de tiempo. Aquí la expresión va al final; en otras frases también puede ir al principio.
