# Adverbios y expresiones de frecuencia

## Recuentos: once, twice y número + times

Para decir una vez usamos once; para dos veces, twice. Para tres o más usamos el número y times: three times, four times. A day significa al día; a week, a la semana; a month, al mes; a year, al año. Por ejemplo: twice a week, dos veces a la semana. Aquí usamos once y twice, no one time ni two times. Escribe three y four con letras cuando hagan falta. El contexto indica cuántas veces ocurre la acción.
