Presente continuo afirmativo

El auxiliar: am, is o are

Para decir qué está pasando ahora usamos sujeto + am, is o are + verbo con -ing: I am reading, estoy leyendo. Con I usamos am. Con he, she, it o un nombre singular como Mia usamos is. Con you, we, they o nombres plurales como the children usamos are. You lleva are tanto si significa tú como vosotros. Aquí el verbo con -ing ya está escrito; falta la forma larga de be.

Ejemplo resuelto
