Escritura de -ing: duplicar la última consonante

En los verbos de esta ficha duplicamos la última consonante antes de añadir ing: run pasa a running; sit, a sitting; put, a putting. Son verbos de una sílaba que terminan en una vocal y una consonante; no duplicamos w, x ni y. No todos los verbos cortos duplican: eat tiene dos vocales juntas y pasa a eating; help termina en dos consonantes y pasa a helping. Usa el verbo principal de la primera frase.
