Repaso de escritura: la forma -ing

Para escribir -ing, a menudo basta con añadir ing: read pasa a reading; study, a studying. En verbos como make quitamos la e: making. En verbos de una sílaba acabados en una vocal + una consonante, como run y sit, duplicamos la última consonante: running y sitting. No duplicamos w, x ni y: snowing, fixing, playing. Con dos vocales juntas, eat pasa a eating. Con dos consonantes finales, help pasa a helping. Lie y tie cambian ie por y: lying, tying. See conserva ee: seeing. Dye conserva la e: dyeing.
