Presente continuo afirmativo

Contracciones: pronombre y be

Podemos unir el pronombre y am, is o are con un apóstrofo: I am pasa a I'm; you are, a you're; he is, a he's; she is, a she's; it is, a it's; we are, a we're; they are, a they're. Después va el verbo con -ing. En cada ejercicio, mantén el mismo pronombre que empieza la primera frase. El hueco está al principio de una nueva frase: escribe la primera letra en mayúscula. No olvides el apóstrofo.
