Presente continuo afirmativo

Concordancia: pronombres y nombres

Para completar el presente continuo, mira quién hace la acción. Con I usamos am. Con you, we y they usamos are. Con he, she e it usamos is. Un nombre singular, como the girl, lleva is; un nombre plural, como the children, lleva are. My dad and I son dos personas y llevan are. Las palabras que siguen al nombre no cambian esto: the dog beside the gate is barking. You lleva are aunque se refiera a una sola persona.
