Presente continuo afirmativo

Repaso: completar la parte que falta

El presente continuo afirmativo lleva sujeto + am, is o are + verbo con -ing. I lleva am; he, she, it y nombres singulares, is; you, we, they y nombres plurales, are. You lleva are incluso cuando significa tú. Recuerda read: reading; make: making; run: running; tie: tying. Usa el verbo principal de la primera frase. Mira lo que ya está escrito: puede faltar solo be, solo el verbo con -ing o las dos palabras. No repitas las palabras que ya aparecen. Usa las formas largas.
