Presente continuo: negativas y preguntas

Negativas: la forma larga

Para decir que una acción no está ocurriendo ahora usamos am, is o are + not + verbo con -ing: I am not reading, no estoy leyendo. Con I usamos am not. Con he, she, it y nombres singulares usamos is not. Con you, we, they y nombres plurales usamos are not. You lleva are not aunque signifique tú. El contexto indica qué acción no ocurre. Aquí escribimos las dos palabras completas; el verbo con -ing ya está escrito.
