Presente continuo: negativas y preguntas

Negativas con I: am not; con los demás: contracción

Con I escribimos I am not; también podemos decir I'm not, pero no usamos amn't en el inglés estándar de estas fichas. Aquí I ya está escrito, por eso el hueco lleva am not. Con he, she, it y nombres singulares, usa isn't. Con you, we, they y nombres plurales, usa aren't. You lleva aren't aunque signifique tú. Después va el verbo con -ing. El contexto indica que esa acción no está ocurriendo ahora.
