Presente continuo: negativas y preguntas

Negativas completas: be + not + verbo con -ing

Para negar una acción actual usamos am, is o are + not + verbo con -ing. No usamos don't ni doesn't con esta estructura. I lleva am; he, she, it y nombres singulares, is; you, we, they y nombres plurales, are. You lleva are aunque signifique tú. Usa el verbo principal de la primera frase: I read pasa a I am not reading. Recuerda make: making; run: running; carry: carrying. Aquí escribimos las tres palabras completas, sin contracciones.
