Presente continuo: negativas y preguntas

Preguntas de sí o no: el auxiliar al principio

Para preguntar si una acción está ocurriendo ahora ponemos be delante del sujeto: Am I reading? Is she reading? Are they reading? Usa Am con I; Is con he, she, it y nombres singulares; Are con you, we, they y nombres plurales. You lleva Are tanto si significa tú como vosotros. No usamos do ni does en estas preguntas. El verbo con -ing ya está escrito. El hueco está al principio: escribe la primera letra en mayúscula.
