Presente continuo: negativas y preguntas

Preguntas: concordancia con el sujeto

En las preguntas del presente continuo, be va antes del sujeto y el verbo con -ing va después: Is the girl reading? Are the children reading? Con I usamos Am; con he, she, it y un nombre singular, Is; con you, we, they y nombres plurales, Are. You siempre lleva Are. My dad and I son dos personas y llevan Are. Las palabras de lugar no cambian la concordancia: Is the dog beside the gate barking?
